1. What will count up to twelve and keeping still achieve?
 - A. Counting up to twelve takes very short time. Keeping still for this brief interval of time gives us a momentary pause to introspect and review the course of action. Keeping quiet and still give us necessary respite and ensure peace.
2. Do you think the poet advocates total inactivity and death?
 - A. No, he doesn't advocate either total inactivity or death. He makes it quite clear that 'stillness' should not be confused with 'total inactivity' or equated to it. Total inactivity brings death. But Neruda has 'no truck with death'. His stillness means halting of harmful and hostile human activities.
